

CROSS

EST 1846 USA

THE CROSS BRAND: OUR HERITAGE

WE'VE BEEN WRITING OUR STORY SINCE 1846.

INVENTING. INNOVATING. ALWAYS EVOLVING.

Since our earliest days, Cross has rewritten the rules for putting pen to paper.

1889

In the company's early years, Richard Cross specializes in crafting beautifully ornate pencil casings in fine gold and silver.

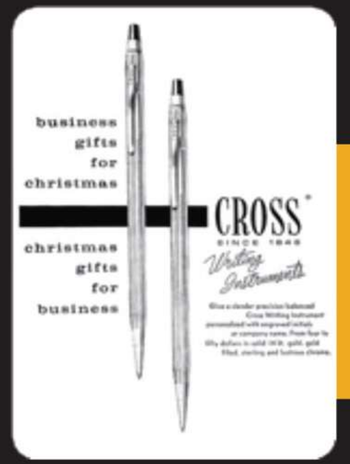

1879

Richard's son, Alonzo Cross, invents the first propel-repel stylographic pen, the technical forerunner to today's modern ballpoint pen.

1846

The first Cross Fountain Pen debuts with the name Peerless to signify its unmatched technology and design.

1946

The Century Pencil debuts in gold and silver finishes to celebrate the Cross Company's Centennial.

1953

The iconic 'Century' ballpoint pen introduced with Ellery Boss' groundbreaking internal design patent. Introducing a slimmer, easily replaceable ink refill.

1993

Townsend becomes known as The Pen of Presidents, used by leaders across the globe to this day. Century II also makes history as the pen chosen by both parties for official White House signing ceremonies.

2009

Cross becomes the first luxury maker to create a multi-function pens with the launch of it's Tech Series.

2021

Cross celebrates its 175th Anniversary with a full line-up launch of Heritage pens.

THE CROSS BENEFIT: GUARANTEED FOR LIFE

LIFETIME MECHANICAL WARRANTY

To uphold the trust our customers place in Cross we offer an industry-leading Lifetime Mechanical Warranty through our **Official Authorized Dealers** that sets us apart from other brands. All Cross writing instruments are unquestionably guaranteed against mechanical failure, regardless of age.

All Cross writing instruments are designed to be easily refillable and reusable for lifetimes of enjoyment.
